Opel Grandland

Buick GL8

Mazda EZ-6

Honda Prologue

Chery Tiggo 8 Plus

Xpeng M03

GMC Yukon EV

Mahindra XUV 3X0

Luxeed R7

Mahindra BE 05

Omoda 7

Peugeot 5008

Peugeot Expert

Alfa Romeo Junior

Mahindra XUV.e9

Cadillac Optiq

Opel Vivaro

Denza Z9

Ford Navigator

Citroën Jumpy

Lancia Ypsilon

Yangwang U7

Lucid Gravity

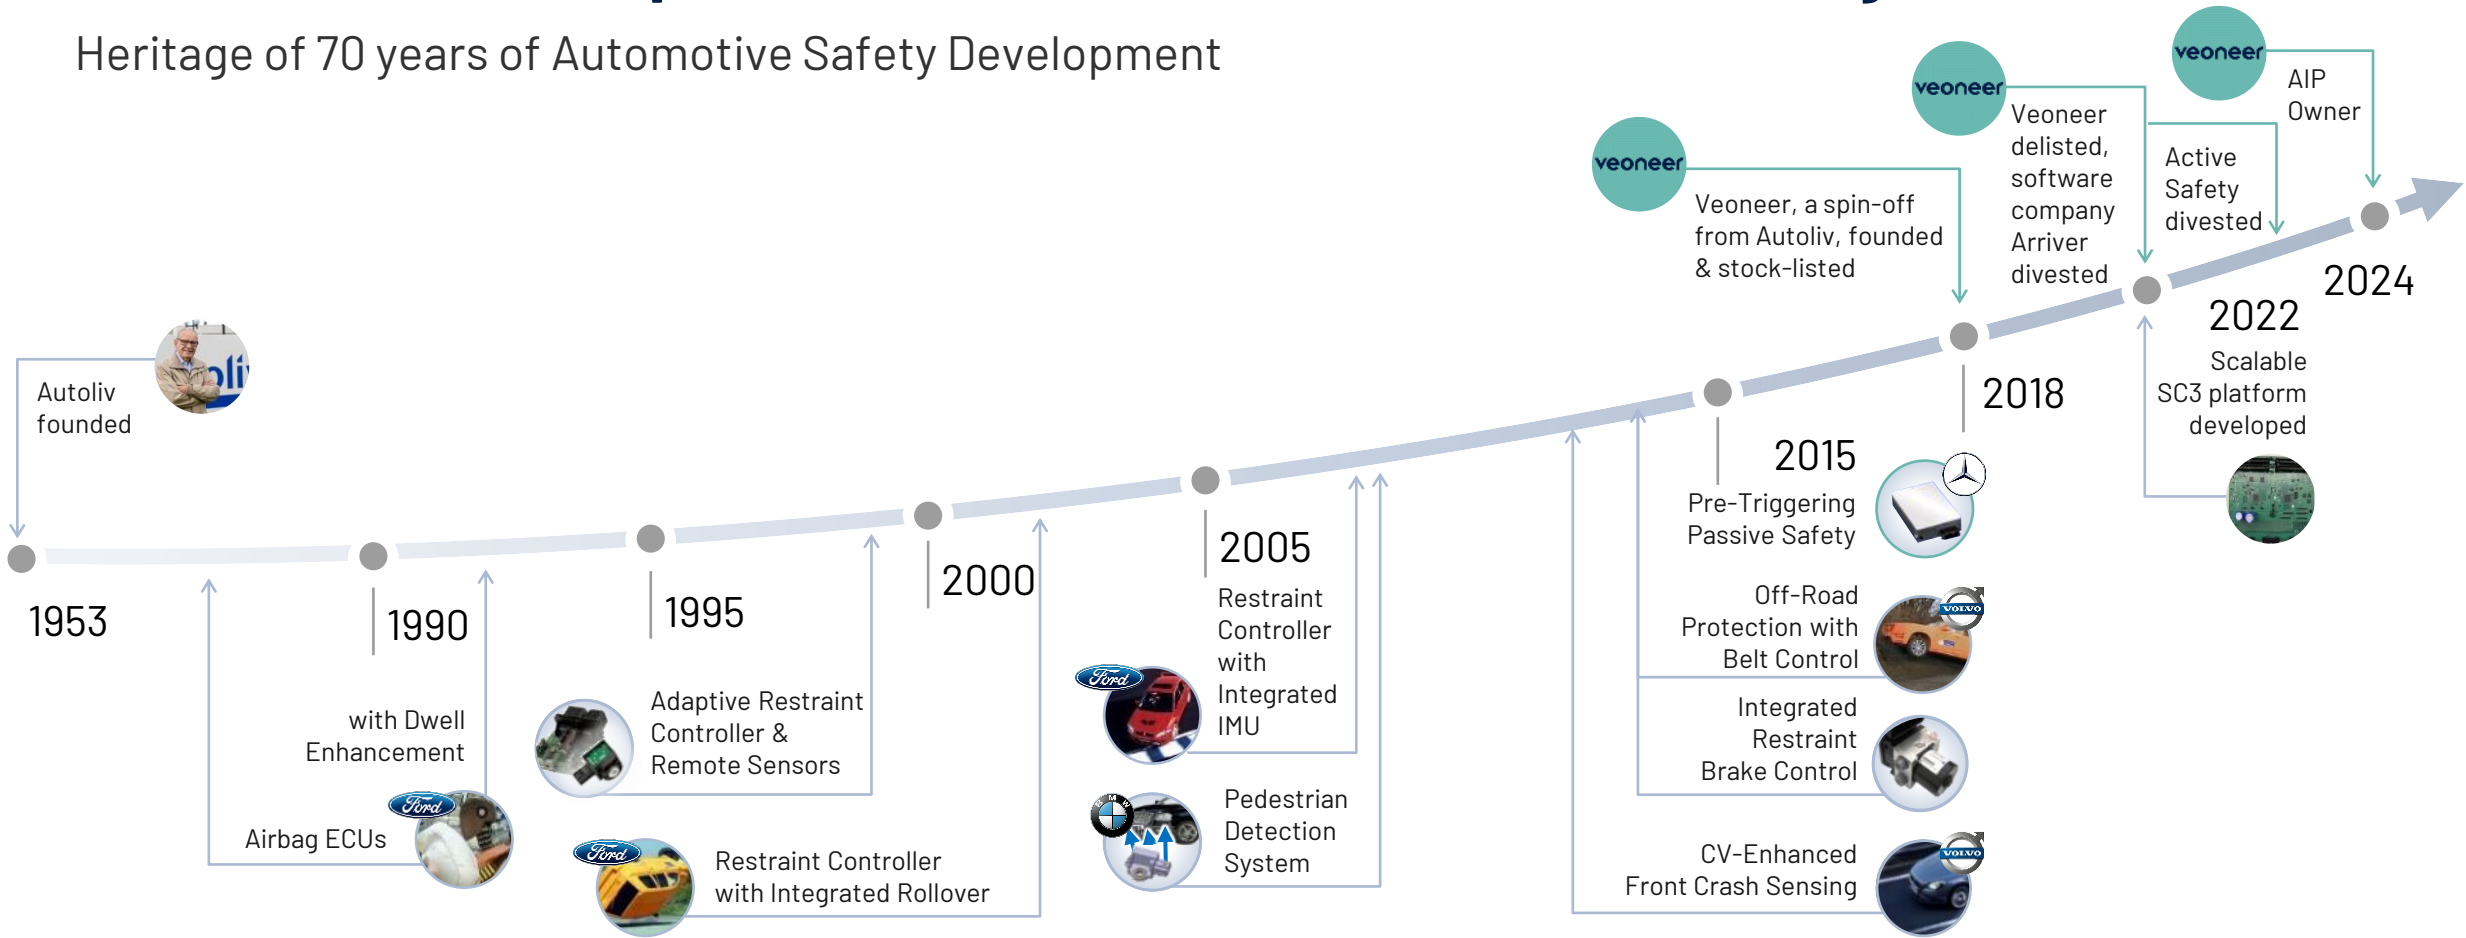

# Global Presence - Organized in 3 Regions

# 20+ Years of Experience from Automotive Safety Electronics

Heritage of 70 years of Automotive Safety Development

(1) Including acquisitions

# Restraint Control System

# Individual Products in our Product Portfolio

- RCS Electronic Control Units (ECU)
- RCS Inertial Measurement Unit (IMU)
- Remote Sensing Unit (RSU)
- Pressure-Based Remote Sensor Unit (PRSU)
- Pressure Tube Assembly (PTA)
- Electronics for Motorized Seatbelt

# SC3 - Standardized Platform

- **Off-the-shelf** products
- **Scalable** from low to high-end
- **Highly tailored chipset including:**
  - A scalable family of microcontrollers
  - Software based on our extensive experience in the RCS domain
  - New mechanical design with manufacturing standardization
  - The latest versions of our two high performance families of crash algorithms
- **Commercial success** – major awards with multiple OEMs
